Dear Dir. Golightly-Howell and Acting Asst. Dir. Covington,

As we indicated in our last submission, we are submitting the attached letter from the Complainants to provide further evidence and legal argument in the investigation of the complaint against the Alabama Department of Environmental Management (ADEM) regarding its decision to modify and re-issue a permit for the Arrowhead Landfill.

The attachments are too large to send by email, so we have made them available at this link:

<https://earthjustice.sharefile.com/d-s5b59a9f4ea44768b> We would appreciate a courtesy notification when you have downloaded the exhibits.

We will also forward a hard copy of this letter and the exhibits for your convenience. Please let us know if you have any questions or if we can provide any additional information.

Sincerely,

Matt Baca
